## European Day of Languages Bingo

Bake or cook a typical French or German dish. You can find recipes online.

Find one thing in your home that is written in a different language.

Listen to the last Eurovision Song Contest entry for France / Germany. How much of it can you understand?

Take a picture of someone in your house and write a description of them in French or German.

Research an interesting French or German tradition and write a paragraph about it in English.

Find some good French or German memes. They only count if they make us laugh!

Look up the French or German words for 10 items in your house. Label them with a post-it note to help you learn them.

Spend half an hour revising French or German on language-gym or similar websites.

Complete the French or German scavenger hunt (see separate sheet).

Watch a German / French programme - there are lots on Netflix and YouTube

Create a poster on the importance of languages (you could even use the free Canva app).

Research a famous city from a French or German speaking country and draw or paint a picture of it.

Try following a French or German workout or dance class on YouTube.

Take a photo of each of the rooms in your house and label them.

Download the free Duolingo app.

Change the settings on your phone to French or German

**Don't forget to save all the evidence e.g. photos/screenshots, a folder of your work and to upload these to Google Classroom.**
