Q15	How does being eligible for Pupil Premium or Service Premium affect my daughter's application?
A	If your daughter's permanent home address is within the designated area of Kendrick School and she is eligible for pupil premium, service premium or a child in care or previously in care, then she is eligible to be considered under Section 1 or 2 of our over-subscription criteria. This means if she has achieved the lower qualifying score (100.00) or above she will be offered a place at Kendrick School as long as you name Kendrick School as first choice on the Common Application Form (CAF). If your daughter sat the test at Kendrick School, verification of the above was obtained from your daughter's current primary school via the Registration Form brought to the test day. Clarification may be sought if necessary. If your daughter sat the test at another grammar school, and you registered with Kendrick School for your results to be shared, and you are within our designated area, we will request verification which can be a letter from your daughter's current primary school.
Q16	My daughter sat the test at the Slough Consortium or another school in the wider Consortium and their standardised test result is different from Kendrick School. Why?
A	Some parents may be considering including either one or more grammar schools in the wider Consortium in addition to Kendrick School on their CAF. Kendrick School, the Slough Consortium of Grammar Schools, Reading School and the other schools in the wider Consortium, used the same test on the same day, and it was not possible for students to sit the test more than once. However, parents whose children sat the test at Kendrick School may have requested that the raw score is shared for inclusion in the Slough Consortium of Grammar Schools standardisation or another school in the wider Consortium. Similarly, parents whose children sat the test at the Slough Consortium or another school in the wider Consortium may have requested that the raw score is shared for inclusion in the Kendrick School standardisation. In order for scores to be shared, candidates had to register at each school as part of their admission policy. In all of these cases, parents will receive different sets of results from each school in the wider Consortium that they registered with. These standardised results may be different, as the same raw score is being compared to those of a different cohort of children. PLEASE NOTE: IMPORTANT: Scores cannot be retrospectively shared after the standardisation process has taken place.
Q17	Can I see my daughter's test papers?
A	It is not possible to see a candidate's test papers as they are commercially sensitive and the property of CEM.
Q18	Can papers be remarked?
A	All the entrance tests are double scanned and checked using different optical mark readers and different staff. The process is reliable and trustworthy and as a result re-marks would be unnecessary. The likelihood of any mistake being made in recording the correct test responses from the multiple choice answer sheet is negligible. Kendrick School has therefore confirmed that they will not undertake any test remarks until after the national offer date (2 nd March 2020). The cost of a re-mark would be £50 per paper.
Q19	When will I know if my daughter has been offered a place at Kendrick School?
A	The National Offer date is 2 nd March 2020.
Q20	Can I appeal?
A	You cannot appeal about your daughter's test mark. The offer information from your Local Authority on 2 nd March 2020 will contain details of how to appeal if you have not been offered a place at your preferred school.
Q21	I would like to make a Freedom of Information request for an anonymised copy of the standardised results
A	This information will be published on the school's website in March 2020. We are not obliged under section 22 of the FOIA to provide information that is intended for future publication. In line with the terms of this exemption, we have considered whether it would be in the public interest for us to provide you with the information ahead of publication, despite the exemption being applicable. In this case, we have concluded that the public interest favours withholding the information.
Q22	Can I visit the school before submitting my CAF or before National Offer Day?
A	The Open Evening for entry into Year 7 in September 2020 was held in April 2019. Unfortunately, due the amount of requests for visits and the lack of resources available, we are not able to offer individual visits to the school.
Q23	Can you advise me on completing the Common Application Form (CAF)?
A	We cannot provide advice or guidance on completing the Common Application Form (CAF). Please direct these queries to your own Local Authority.
