Personal Development

The **personal development** of students is about how well the school supports students beyond the subject based curriculum and how well students are provided with opportunities to develop and discover their interests and talents. In addition, it includes how far as a school we develop students' character, resilience, confidence and independence, as well as help them keep mentally and physically healthy.

The House System

The three Houses at Kendrick School are:

- Cedars
- Palmer
- Sidmouth

There are an ever increasing number of house events that take place over the year, including: House Music, House Drama, House Sport, and House Quizzes. These events encourage students to integrate and work with other students from across the different year groups.
