

# Welcome from Kendrick Parents' Society(KPS)

Kendrick School, London Road, Reading, RG1 5BN

Chair: Gayatri Hariharan

---

Dear Parents/Carers,

We welcome you to the Kendrick Parents' Society (KPS - a registered charity# 1104281) that forms a strong link with the school, developing relationships between staff, parents, carers and students. The KPS provides many socialising opportunities for both students and parents.

KPS organises events and initiatives throughout the year to provide support, enjoyment and opportunities to meet each other and be a key part of the school community while continuing to raise much needed funds for items which cannot be covered by the school's increasingly tight budgets.

Historically, we have had a very strong uptake on membership and would like to invite you, the 2021-2022 parents and carers, to do the same. Here is the link to the [online membership form](#) that will give you details on what the membership provides, class rep system and many other useful details. Once you have become a KPS member, we welcome you to join the KPS Committee to discuss various opportunities and help with events.

All the funds raised by KPS are invested in the school. We input into how the money is spent by discussing the prioritised wish lists generated by Ms Kattirtzi, staff and students, the committee members and the Senior Management team.

Some of the major contributions in the last 2 years had been towards some specific projects like providing outdoor benches for students, play equipment, a new student welfare office and adjoining safe space, curtains & lightings in the drama studio, enhancements for the new Horizons building, redecorations of toilets, providing for musical instruments including an orchestral harp and LED stage lighting in the Drama Studio and also funding for some library books. The Summer Raffle event that we conducted last week, also was conducted with the purpose to upgrade the stage lighting in the school main hall.

**All of these cannot be achieved without the active involvement of KPS members. We have a number of ambitious targets this coming academic year too and we look forward to your help and engagement!**

## KPS Events

KPS organises many events throughout the school year for both students and families such as disco night, film nights, Cultural evenings, Spring Raffles and many more. Even during lockdown situation, we moved all our engagements and events to digital platform. A full schedule of KPS events for 2021-2022 will be published in September'21. During the normal (non-restricted circumstances) we would also provide refreshments at many school events where there would be opportunities to meet most of you

**Parents and carers meeting** - If not for the current situation, there would have been a few KPS events for you to get involved in BEFORE your daughters start at Kendrick, like the Parents & Carer evening and our annual International food festival in July. However, like last year, we are arranging a **virtual online meet for all new year 7 parents**. Once we have your membership details, we will share the details of the meeting with you. We look forward to meeting you all soon and expect your involvement and contributions once the school reopens in September'21.

## Class Representative System

In order to encourage communication between families and to help them and the students get to know each other, the Kendrick Parents' Society (KPS) runs a **Class Parent Rep System** for each form in the school.

The main role of the Class Parent Rep is to maintain a list of student/parent and carer contacts. Through this way of communication, parents and carers can get to know what is going on in school and in particular, their daughter's form and year, as well as help in planning of the KPS initiatives and fund-raising events. Once the system is in place it will prove invaluable when homework is forgotten, when sharing lifts, etc. If you are interested in this scheme or possibly being the Class Parent Rep, please complete the [online form](#) along with the one-off membership fee. Once we receive this from you, we will send you an invitation to join the class distribution list.

## Benefits of joining KPS

Our main objective is to be a strategic partner to the school. We leave the academics at the expert hands of the teachers and staff members and we focus on creating greater engagement between parents; parents and school; school, parents and the community we live in. We provide a supportive and friendly community for parents that promotes a feeling of belongingness. This has proved very useful especially during lockdown situation in the past year when we had to quickly adapt to digital platform.

We also offer a free workshop on self-improvement and self-promotion by Google's #IamRemarkable 'Gold Tier' facilitator. Finally, you will always feel connected to your daughter's school that will help strengthen your relationship with your children!

### KPS Facebook

The KPS runs a closed Facebook group where we provide details of upcoming events and other important information. To join this group, search for the "Kendrick Parents' Society" group and ask to join – once we have received your membership form and fee and have confirmed that you are a member of the KPS, we will approve your request.
