Kendrick School

Year 7 Admission Policy – September 2020 Entry FINAL AND PUBLISHED

Kendrick School is a selective girls' school with academy status. All applications to maintained schools are covered by coordinated admissions arrangements as set out in the School Admissions Code 2014, in which parents/carers are required to make an application to the Local Authority (LA) in which they live (home LA). Kendrick School will inform Reading LA of all applications received.

Kendrick School Admissions Number

The Admission Number for places in Year 7 for September 2020 is 128.

Application for a place

The admissions process for routine admission into Year 7 of a secondary school in 2020 (the routine admission round) begins in May 2019 and ends on 31st August 2020.

For entry in September 2020 a girl's date of birth would normally fall on or between 1st September 2008 to 31st August 2009 and she must be working in Year 6 at the time of testing. See section headed 'Applicants who are not in the normal age group' for further information.

Applications must be made on the appropriate Local Authority (LA) Common Application Form (CAF). In addition, a separate application (to register for the Admission Test) must be made directly to Kendrick School.

Parents/carers must register for the Kendrick School Admission Test by completing the online registration form available on the school website from **1**st **May 2019**. The deadline for registering for the Admission Tests for entry into Year 7 in September 2020 is **Friday 14**th **June 2019**.

Late entries will **NOT** be accepted.

Admission Test

Kendrick School will use the same Admission Test as a number of other Grammar Schools, including Reading School and the Slough Consortium. The tests will take place on Saturday 14th September 2019 in all these schools. Applicants for any of these schools may only take the test once. If it is found that an applicant has taken the test twice, the raw scores for the first attempt will be used for the standardisation process.

There will be two tests each of length approximately one hour. There will be a short break between the two test sessions. Each test will assess Verbal, Non Verbal and Numerical ability. Applicants are expected to show competence in skills appropriate to Key Stage 2 English and Mathematics, and to be able to apply these skills creatively.

There are no practice papers but a Familiarisation Booklet will be published on the school website as soon as it is made available but no later than when registration opens on 1st May 2019.

The raw scores will be age standardised and the ranking is determined by the aggregate of the age standardised scores of both tests.

Results

The result of the Admission Test will be made available to parents/carers in advance of the Common Application deadline of 31st October 2019. Parents/carers are advised to use this information as guidance to the suitability of their daughter for a Grammar School place. **The results do not guarantee an offer of a place.** (See section on "Oversubscription Criteria")

The deadline for receipt of the Common Application Form by the home LA is 31st October 2019.

Applications received after the deadline

No Registration Forms for the Admission Test at Kendrick School received *after* the deadline (Friday 14th June 2019) **will** be accepted.

However, where there are **exceptional** circumstances, applications received after the deadline may be considered if received before 31st December 2019. Exceptional circumstances should be explained and must be supported by documentary evidence and will be accepted at the school's discretion.

Where a late application to the LA names Kendrick School as one of the preferences, the test will take place in January 2020. Late applicants (those who take the test in January 2020) will be informed of the results within four weeks of the test.

Inclusion

The parent/carer of any child with special educational needs or a disability, who is applying for a place at the School, should inform the Admissions Officer at Kendrick School so that any special arrangements that might need to be made to enable the child to take the Admission Test can be discussed. It would be expected that there would be supporting information from an accredited medical professional recommending arrangements appropriate to the need. It would also be necessary to establish a history of need by demonstrating that similar arrangements are in place at the applicant's current school. Kendrick School may contact the applicant's primary school to verify and confirm existing arrangements.

Requests for special arrangements should be requested by completing the appropriate section of the Kendrick School online registration form by the **closing date of 14**th **June 2019**.

Fraudulent Applications

Any information that is subsequently proven to be inaccurate will potentially invalidate that application. Those who submit fraudulent or deliberately misleading applications may also be subject to legal proceedings.

Oversubscription Criteria

All applicants will be ranked according to their performance in the tests. Oversubscription criteria will be applied if there are more applicants than the 128 places available. A qualifying score will be determined (to two decimal places) for candidates in categories 3-6 of the oversubscription criteria below. A qualifying score of 5 points lower than this score will be applied for candidates in categories 1 and 2 of the oversubscription criteria below (Pupil Premium/Service Premium/Child in Care).

Children with a Statement of Special Needs and/or an Education, Health and Care Plan and has named Kendrick School specifically on the statement will always be admitted as long as they have met the **lower** qualifying score.

Offers will be made from the ranked list in the following order and within each category:

- 1. The applicant is a looked after child or previously looked after child¹
- 2. The permanent home address of the applicant is within **Priority Areas 1 and 2** of the designated area of the school at **31**st **August 2019** and the applicant is a **Pupil Premium or Service Premium child**². Documentary evidence, or confirmation from the applicant's current primary school, that the parent has been or is in

receipt of the appropriate support payment entitling the child to Pupil Premium or Service Premium will be required.

Offers will then be made from the ranked list, according to the ranked order until up to 75% (96) of places have been offered:

3. The permanent home address of the applicant is within **Priority Areas 1 and 2** of the designated area of the school and this has been the permanent home address of the parent(s)/carer(s) and the applicant at **31**st **August 2019**.

The remaining 25% (32) places will be offered in the following order, according to the ranked order until all places in total have been offered:

- 4. The permanent home address of the applicant is within **Priority Area 1** of the designated area and this home address has been the permanent home address of the parent(s)/carer(s) and the applicant at **31**st **August 2019**.
- 5. The permanent home address of the applicant is within the **Priority Area 2** of the designated area and this home address has been the address of the parent(s)/carer(s) and the applicant at **31**st **August 2019**.
- 6. Applicants whose permanent home address is NOT in the designated area of the school.

Note: in 1) above, any such an applicant, provided she has achieved the lower qualifying score, will be offered a place even if she is not ranked in the top 128 places. In 2) any such applicant, provided she has achieved the lower qualifying score and her permanent home address is within **Priority Areas 1 and 2** of the designated area of the school, will be offered a place even if she is not ranked in the top 128 places. The total number of places offered will remain, however, at 128.

The ranked list of the remaining applicants with a qualifying score will be used to offer further places (still using the categories of the oversubscription criteria) if any original offers are declined either by the LA because a place is offered at the parents/carers higher preference school or by the parents/carers themselves. This will be called the waiting list.

Waiting lists

During the routine admission round a 'waiting list' will be administered if the school has more applicants than places available. An applicant's position on the waiting list is determined according to the oversubscription criteria that applied to applicants at the time of the original allocation of places. After 1st March, this waiting list will be used by the LA, who will continue to offer places on the School's behalf until 31st December 2020. After all offers have been accepted or declined by the LA deadline, parents/carers of children above the cut-off point who change their preference following allocation day, because their child was offered a higher preference, will be added to the waiting list according to the oversubscription criteria. Equally any child who moves into the designated area, following receipt of confirmation of change of preferences from the LA and documentary evidence of the new address, will be re-ranked according to the oversubscription criteria.

- Confirmation by the home local authority that the child is looked after or previously looked after or
- Confirmation by the local authority the child has the following order
 - o Adoption Order

¹A 'looked after child' is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services function (see definition in section 22(1) of the Children Act 1989). Previously looked after children are children (b) who were looked after, but ceased to be so because they were adopted or became subject to a child arrangement order or special guardian ship order. Applications received under the criterion a) must be made by the person with parental responsibility for the child (e.g. the child's social worker, acting on behalf of the local authority for a looked after child) and will need to be supported by the following official documentation, as applicable:

²Pupil Premium are those students who have received funding for free school meals at any point in the last 6 years or who are currently eligible for free school meals. The Service Premium is designed to support children with parents/carers serving in the regular British armed forces. Students attract the Premium if they meet the following criteria: one of their parents/carers is serving in the regular armed forces; one of their parents/carers served in the regular armed forces in the last 5 years or one of their parents/carers died while serving in the armed forces and the student is in receipt of a pension under the Armed Forces Compensation Scheme (AFCS) and the War Pensions Scheme (WPS)

Designated Area

The designated area is made up of **Priority Area 1** and **Priority Area 2** and each area is determined by the postcode of the applicant's permanent home address. Places will be offered to applicants who are ranked high enough according to the Admission Test scores and who reside within the designated area. This must be the applicant's **permanent home address** with their parent/carer) at **31st August 2019.** The school may ask for documentary evidence to support the application. Only if there are further places available will applicants who live outside the designated area be considered.

The address which will be used for consideration to be living within the designated area must be the applicant's permanent home address at 31st August 2019. This also applies to applicants who are applying late due to exceptional circumstances. Evidence is required of a single address.

The 'permanent home address' is defined as the permanent place of residence of the parent/carer with whom the applicant spends the majority of their time and the address that is used to complete the Common Application Form (CAF). In the cases where parents have shared responsibility for a student, the permanent home address will be where the student stays for the majority of the school week (Monday to Friday). The exception to this is if the family are returning from abroad to a previous home within the designated area (documentary evidence will be required to confirm this), are Crown Servants or members of the Armed Forces.

If the permanent home address changes between registering for the entrance test and 31st August 2019, Kendrick School will require documentary evidence of the new address. If the applicant's permanent home address changes after 31st August 2019, the new address will only be taken into account after the deadline from the LA for accepting or declining a place (14th March 2020) and re-ranked as appropriate on the waiting list. In all cases applicants will need to provide evidence that the previous home is no longer used by the family, for example proof that the property has been sold or that it is no longer available for the family to live in or that a rental agreement has ended.

Once offers have been made, Kendrick School will require documentary evidence of the applicant's permanent home address. This will include consideration as to whether or not the address used to make an application was temporary. Kendrick School reserves the right to carry out random checks at any time and this may include a home visit. Parents will be required to declare that the address used will be their place of residence beyond the date of the student starting school. Kendrick School reserves its right to carry out further investigation of any change of address once the student has started school.

See Appendix 1 for the list of postcodes within the designated area. Details are also given in the school website and any further clarification, if required, may be obtained from the School's Admissions Officer.

Applicants who are not in the normal age group

Applications will not normally be accepted from any girl whose birth date is before 1st September 2008.

Applications will not normally be accepted from any girl whose date of birth is after 31st December 2009.

Only in highly exceptional circumstances will applications be accepted from any girl whose birth date is before 1st September 2008 or after 31st December 2009.

In addition, applicants would be expected to be working in Year 6 at the time of the Admission Test. Applications will not be accepted from any applicant who has moved on to Year 7.

Applicants working in Year 5 may take the test but the home LA must have approved the application by considering the age, aptitude, ability and emotional and social development of the applicant

There are no circumstances where the test can be taken twice.

The tie-break situation

The following criterion will be used to rank applicants on the waiting list who cannot be distinguished by their performance in the Admission Test, i.e. all those achieving **exactly** the same overall score in the tests:

• Eligible applicants living nearest to Kendrick School and within the designated area will be accorded the highest priority in the allocation of places. Distance will be from the home address to the front gate of the school. It will be calculated using grid references and online digital mapping software. Applicants living nearest to the school yet outside the designated area will be ranked after those living within the designated area. For those living equidistant from the school, an independent person will supervise random allocation. In the case of Kendrick School, this will be Reading Local Authority.

Offer Date

All parents/carers will be notified to which school their child has been allocated. They will be informed by the home LA, on the national offer date, **1st March 2020.**

Appeals

Where an applicant is not offered a place at their preferred school, parents/carers may feel that circumstances surrounding the Admission Test may give grounds for appeal. Details about the appeal process are given by the home LA in the offer letter and on the school's website.

APPENDIX 1 - Designated Area

The designated area is made up of Priority Area 1 and Priority Area 2 and each area is determined by the postcode of the applicant's permanent home address. Places will be offered to applicants who are ranked high enough according to the Admission Test scores and who reside within the designated area. This must be the applicant's permanent home address with their parent/carer) at 31st August 2019. The school may ask for documentary evidence to support the application. Only if there are further places available will applicants who live outside the designated area be considered.

The address which will be used for consideration to be living within the designated area must be the applicant's permanent address at 31st August 2019. This also applies to applicants who are applying late due to exceptional circumstances.

The 'permanent address' is defined as the permanent place of residence of the parent/carer with whom the applicant spends the majority of their time and the address that is used to complete the Common Application Form (CAF). In the cases where parents have shared responsibility for a student, the permanent address will be where the student stays for the majority of the school week (Monday to Friday). The exception to this is if the family are returning from abroad to a previous home within the designated area (documentary evidence will be required to confirm this), are Crown Servants or members of the Armed Forces.
