

Personal Development at Kendrick

Kendrick School

The **personal development** of students is about how well the school supports students beyond the subject based curriculum and how well students are provided with opportunities to develop and discover their interests and talents.

In addition, it includes how far as a school we develop students' character, resilience, confidence and independence, as well as help them keep mentally and physically healthy.

Kendrick Pledge

“We the students, staff and friends of Kendrick School pledge to uphold the values of friendship, kindness and respect. We promise to stand against prejudice, ignorance and injustice in all its forms, promoting the values of equality, tolerance and justice for all”.

Aims of Kendrick School

Our vision for the school is to lead, inspire, and make a difference to the lives of students and young people.

- **Lead** everyone to grow and contribute
- **Inspire** staff, students and parents to have a voice in the vision
- **Make a difference** to people's lives and the wider community.
