

**Nelle Harper Lee** who was born on April 28<sup>th</sup> in 1926 is an American novelist widely known for her 1960 Pulitzer Prize-winning *To Kill a Mockingbird*, which deals with the racism she observed as a child in her hometown of Monroeville, Alabama.

In February 2015, aged 88, after a lifetime of maintaining that she would never publish another novel, Lee released a statement through her lawyer confirming publication of a second novel, *Go Set a Watchman*, written before *To Kill a Mockingbird*, which was released in July 2015.

THE BOOK TO  
READ IS NOT  
THE ONE THAT  
THINKS FOR YOU  
BUT THE ONE  
WHICH MAKES  
YOU THINK.
