## Re: Kendrick Parents' Society – 2026 Spring Raffle

I am writing to you on behalf of Kendrick Parents' Society (KPS), registered charity no 1104281. We are actively preparing for our annual raffle, which we are hoping you will be able to support by donating a prize.

Kendrick School is a state grammar school with academy status. It has over 900 students aged 11-18. The school is located in central Reading with students from Reading and the surrounding area.

Raffle information is distributed to all parents and students and will credit each organisation that contributes. This way we can acknowledge your kind support. We will also advertise companies donating a prize on the KPS Facebook page, on the Kendrick School Website, as well as in a booklet that is distributed to everyone in the school community.

We appreciate that you may receive many requests for donations but feel that Kendrick School will give you the opportunity to reach the public outside of your local area, whilst supporting a very worthwhile educational cause.

The raffle will run in February and March 2026. The funds ,raised will go towards purchasing three to four Smart Interactive White Boards—a significant investment that will directly enhance the learning experience across the school. If you are able to support us this year by donating a prize or voucher for our raffle, we would be most grateful if you could contact us with details by email to [kpsraffle@kendrick.reading.sch.uk](mailto:kpsraffle@kendrick.reading.sch.uk) or by letter to the school's address for the attention of the KPS Raffle Team.

If you have any questions or would like any further information, please feel free to email us on [kpsraffle@kendrick.reading.sch.uk](mailto:kpsraffle@kendrick.reading.sch.uk) . Also, please let us know if you would like us to collect your donation or alternatively, we could provide a stamped addressed envelope to return the prize directly to the school.

The KPS, school staff, students and families thank you most sincerely for any support that you may be able to provide.

Yours sincerely
