

HOLOCAUST
MEMORIAL
DAY 27/1

Holocaust Memorial Day Poetry by Joanna – Year 10

*ordiNary people
do not stand by
as others are thrown
into the gaping maw
of a death camp.
ordinary pEople
should not be killed
for their belief, their loVe
or the way thEy look.
ordinaRy people
fight for the fallen
And see the wrong
when everyone else
tells them it's right.
if beinG ordinary
means i have to give up
my heArt,
and become a monster
and turn away
when others cry
then I'd rather be
revolutioNary*
