

YEAR 9 ACTIVITY WEEK

MONDAY 4TH JUNE – FRIDAY 8TH JUNE

MEDICATION

- Students must hand in all medication to **Frau Mueller** on arrival at school on Monday 4th June.
- This includes paracetamol, hay fever medicines, spare epipens, (students keep one), travel pills etc. If your daughter needs to take a travel sickness pill, she should take one and then hand in the rest. Students must keep inhalers with them at all times.
- **Please write your daughter's name on all medication and place it in a plastic wallet, again named, with details of what the medication is for and when it needs to be administered.**
- Your daughter will then come to Frau Mueller on a daily basis at a specified time and take what is required. Frau Mueller will keep a record of any medication taken.
- It is very important that all students who take medication follow this procedure. **No medication can be left in the bedrooms.**
- Inhalers and epipens must be taken to every activity and be clearly labelled.
