Dear Applicant

It is my great pleasure to welcome you to Kendrick School. Thank you for your interest in our Food Technician vacancy.

Kendrick School is an 11-18 selective girls' school with academy status. It has a local and national reputation for being an outstanding school and has an impressive record of achievement as a centre of excellence for girls' education. In the last three years, Kendrick has consistently been identified by the Department for Education as being in the top 1% of schools in the country in terms of progress of students between KS2 and KS4, using the Progress 8 measure.

Kendrick is a forward looking school and grasps the opportunities that present themselves. A love of learning is at the heart of Kendrick with a strong emphasis on high quality teaching. The curriculum is organised to meet the needs of all students and is regularly reviewed. All staff are hardworking and dedicated to the school; teaching staff are specialists and experts in their field and are committed to achieving the best for their students. Students are bright, enthusiastic and curious and have a love of learning.

As an outstanding school, Kendrick seeks to work with other schools and organisations and to this end we have excellent relationships with secondary and primary schools within the local area and beyond. As part of Kendrick's Widening Horizons strategic initiative, we actively pursue partnerships with educational schools and businesses in our local area. These associations benefit the students of Kendrick, as well as, students in our neighbouring school. We share our good practice and offer opportunities to primary and secondary students in the Reading area. Currently Kendrick is a hub school in the Science Leadership Partnership and provides support and expertise to schools in the teaching of Science.

Kendrick is going through an expansion process and in September 2020 an additional 32 students joined us in Year 7. A further 32 students in Year 7 will be admitted over the next four years until 2024 making the school four form entry by that date. The additional 32 places are prioritised for Pupil Premium students (PPG) and students in the Reading area, called Priority Area 1 in our admissions process. In our Widening Horizons work we are committed to achieving greater participation of students from local Reading primary schools and to this end we have a homework club and provide support for pupil premium children and their families who wish to apply to Kendrick School.

As well as the formal curriculum, students at Kendrick enjoy a rich and varied extracurricular education. The House System provides opportunities for healthy competition with numerous annual house events which are key activities in the school year. House events are coordinated by the Kendrick House Captains and Student Leadership Team who work energetically with staff to support this vital community aspect of the school. School Council is an active student leadership group which discusses and drives change for the students.

Underpinning all that goes on at Kendrick is the superb *Kendrick Community Spirit*. There are excellent relationships between staff and students. Staff give generously of their time and are rewarded by the commitment and dedication of the students. This unique school community is supported by an expert governing body and an active parents' association, the Kendrick Parents' Society. Any day at Kendrick is busy, fun and enjoyable!

As the Headteacher of Kendrick, my vision is to *lead, inspire and make a difference to the lives of girls and young women*. I believe passionately in girls' education and know that Kendrick School affords its students the very best education there is. Safer Recruitment Policy

The Headteacher and Governors of Kendrick School are aware of their responsibility for appointing appropriate teaching and support staff, ensuring that all staff have the health and qualifications for the post and are proper and fit persons to be in charge of children and young people.

Kendrick School is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment. To assist in this, the school follows a formal recruitment procedure for the employment of all staff and adheres to the guidelines outlined in [Kendrick School's Safeguarding and Child Protection Policy](#) and the [Keeping Children Safe in Education Guidance \(2020\)](#).

We believe that all students, regardless of age, special needs or disability, racial/cultural heritage, religious belief and sexual orientation have the right to protection from all types of harm and abuse. This policy will operate in conjunction with other related policies and procedures, such as whole school policies on Bullying and Equal Opportunities.

Our approach to child protection is based on, and reflects the current principles recognised in UK legislation, including those around maintaining confidentiality and reporting concerns about students likely to suffer significant harm to the child protection agencies.

We encourage the students in our care to raise any concerns that they might have and ensure that these are taken seriously.

We are committed to working in partnership with parents; child protection agencies and diverse communities, to continuously develop and improve the Safeguarding Culture within our school.

Our robust approach to safeguarding and promoting the welfare of our students aims to help keep students safe and importantly equip them to tackle the challenges and opportunities of daily life with renewed confidence and vigour.

Individuals who have lived or worked outside the UK

Section 3, Point 172, of the Keeping Children Safe in Education states that individuals who have lived or worked outside the UK must undergo the same checks as all other staff in schools or colleges. In addition, schools and colleges must make any further checks they think appropriate so that any relevant events that occurred outside the UK can be considered. These further checks should include a check for information about any teacher sanction or restriction that an EEA professional regulating authority has imposed, using the NCTL Teacher Services' system. Although restrictions imposed by another EEA regulating authority do not prevent a person from taking up teaching positions in England, schools and colleges should consider the circumstances that led to the restriction or sanction being imposed when considering a candidate's suitability for employment.

At Kendrick School, we seek to ensure that Overseas Criminal Checks are completed on all new starters who have worked or lived overseas for more than 3 months since the age of 18. In addition, every new starter is checked on the NCTL Teacher Services system for the following:

- Teachers who have failed induction or probation
- General Teaching Council for England (GTCE) sanctions
- Teachers and others prohibited from the profession
- Teachers sanctioned in other EEA member states

Disclosure of a Criminal Record (to be completed if you are shortlisted for interview)

IMPORTANT

A check as to the existence and content of any relevant criminal record will be requested from the Disclosure and Barring Service (DBS) after a person has been selected for appointment. Refusal to agree to a check being made could disqualify you from being considered for the appointment.

Under the Rehabilitation of Offenders Act 1974, you have the right not to disclose details of "spent" convictions. However, for certain jobs, employers are allowed to ask about these offences. The Rehabilitation of Offenders Act 1974 (Exception Amendment) Order 1986 sets out details of all jobs to which this applies and the job you have applied for is included in the list.

The amendments to the Exceptions Order 1975 (2013) provide that certain spent convictions and cautions are “protected” and are not subject to disclosure to employers and cannot be taken into account. Guidance and criteria on the filtering of these cautions and convictions can be found in the accompanying Guidance Notes. Please give details of any relevant criminal convictions that you may have. The disclosure of a criminal record may not necessarily prevent you from being appointed. The nature of the offence, how long ago it took place, your age at the time and any other relevant factors may be considered when a decision is made. Please note that some convictions are never considered “spent” under the terms of the Act.

Obtaining police checks for period lived outside the UK

At Kendrick School, we seek to ensure that Overseas Criminal Checks are completed on all new starters who have worked or lived overseas for more than 3 months since the age of 18.

If you are ineligible for a police check in the country you lived in outside the United Kingdom (for example because you were under the age required for police checks in that country, or because you are not a national of that country), or if you are unable to obtain a police check from an overseas country for other reasons, we may accept references from previous places of study or employment in that country. If this applies to you please contact us for further guidance.

Further information regarding obtaining a police check from other countries is available via the [Gov.uk website](#) for guidance on criminal record checks for overseas applicants.

Please bear in mind that some overseas countries will charge for a police check. Information for the different countries and fees involved can be found at the above link.

Filtering of Cautions and Convictions

This section provides guidance on the convictions which do not need to be declared on your application form. Please read carefully before answering this question. Further information is available from: www.gov.uk/government/organisations/disclosure-and-barring-service

The filtering rules (which remove certain old and minor convictions and cautions, reprimands and warnings from a Data and Barring Service (DBS) Certificate) were developed by the Home Office and the Ministry of Justice and introduced with new legislation:

The legislation is:

- Police Act 1997 (Criminal Record Certificates: Relevant Matters) (Amendment) (England and Wales) Order 2013;
- Rehabilitation of Offenders Act 1974 (Exceptions) Order 1975 (Amendment) (England and Wales) Order 2013.

The Filtering Rules

The rules regarding the automatic disclosure of cautions and convictions on a DBS certificate are set out in legislation.

Standard and Enhanced DBS certificates must always include the following records no matter when they were received:

- All convictions for specified offences
- Adult cautions for specified offences
- All convictions that resulted in a custodial sentence

Other records must be included depending on when the caution or conviction was received:

- Any adult caution for a non-specified offence received within the last 6 years

- Any adult conviction for a non-specified offence received within the last 11 years
- Any youth conviction for a non-specified offence received within the last 5 and a half years

An 'adult' is any individual aged 18 or above at the time of the caution or conviction. A 'youth' is any individual aged under 18 at the time of the caution or conviction.

A 'specified offence' is one which is on the [list of specified offences](#) agreed by Parliament which will always be disclosed on a Standard or Enhanced DBS certificate where it resulted in a conviction or an adult caution. Youth cautions for specified offences will not be automatically disclosed.

Any cautions (including reprimands and warnings) and convictions not covered by the rules above are 'protected' and will not appear on a DBS certificate automatically.

Cautions, reprimands and warnings received when an individual was under 18 will not appear on a Standard or Enhanced certificate automatically.

Please note that Enhanced certificates may include information relating to a protected caution or conviction if the police consider that it is relevant to the workforce that the individual intends to work in. Decisions to include information in this way are subject to [statutory guidance](#).
