Kendrick School - Weekly Update Friday 4th November 2022

LETTER FROM MS KATTIRTZI, HEADTEACHER

Welcome back to Term 2. I hope everyone has had a good break over the holiday.

I will begin by highlighting some items on our website detailing activities that students have been involved in recently.

- Year 12 Waterside Orienteering Trip
- National Poetry Celebrations
- Thank you to KPS for the Buzzbee Books
- Girls' Chess Championship 2022-2023
- <u>Upper School and Sixth Form Chamber Concert</u>. I mentioned how superb this concert was in my last update.
- Halloween Celebrations

Please take time to read these articles.

I have the great pleasure of working with Year 7 this year in one of their English lessons, supporting them with a key element of their English curriculum, reading. This has enabled me to get to know Year 7 students better and for them to get to know me. Most of the lesson is spent on individual reading, as well as some discussion on the books they are reading. Before the end of term, they each received a gift of a book of their choice sponsored by the Kendrick Parents' Society through the BookBuzz initiative which is supported by the Book Trust. In the last lesson of Term 1, I spent some time asking students about their first term at Kendrick, their first impressions and their likes and dislikes. Overwhelmingly, the students said that they were very happy to be at Kendrick. They described the school community as welcoming and friendly. They said they enjoyed their learning which is varied and fun. They could see that their teachers worked hard to make their lessons interesting. They highlighted the new subjects they study now that they did not study at primary school, for example, Textiles, Art, Food, Science and they appreciated how all their teachers take time and effort to help them in their studies. They also said that the work is challenging, homework is fair and not too onerous and that they work hard every day. They spoke about the need to be organised and prompt getting to their lessons and they were very pleased that they are no longer getting lost getting from one place to another! I Finally they were unanimous in saying that their teachers and the staff are all very kind and friendly. I hope the same impression is being reported to parents at home.

A feature of the school that the Year 7 commented on was the Clubs and Societies that exist. Whilst they appreciated the number and variety of clubs available to them, their frustration was that many took place on the same day! As I have said before, Kendrick has a huge variety of clubs and only this week two more have being added to the list: Shakespeare Society and Muslim Club/Association (name to be confirmed). A link to the Clubs and Societies can be found here.

Another point that the Year 7 students raised was the sense of community they feel there is at Kendrick, something that we all work very hard to encourage. This is about helping everyone at Kendrick feel that they belong and are valued, as well as feel safe in our school. This kindness and generosity of spirit that I believe we have at Kendrick is something I always want to promote. As we move towards the Christmas season and the preparations that everyone makes at this time of the year, I have been speaking with the Kendrick Students Leaders about how we should approach the coming weeks when there is an expectation that everything should be fun and everyone will be happy

when that may not be the case for all. What I know that we can do is demonstrate our generosity of spirit and understanding of others.

I have been inspired again by a couple of specific occasions this week. Firstly, a conversation with Mrs Kaur who leads the Eco Group, who conveyed to me the huge enthusiasm and passion the students in this group have for challenging and improving our attitude and practice towards the environment. They have a long agenda of things they would like us all to do at Kendrick, including reducing waste and recycling more, reducing energy and personal consumption, challenging what we eat and the over consumption of meat, including in our own canteen where they want to see more vegetarian options, plus giving people Eco challenges to complete. To emphasise their commitment to this cause, the school was encouraged to support the Global Schools' Day of Action yesterday.

Secondly, yesterday I attended an assembly given by Mrs Cooper, Head of Year 10, to KS4 students. The assembly was entitled Being an Inclusive Community. Mrs Cooper highlighted the huge richness and diversity of our community and what a strength this is of our school. She presented the view that for us to be an inclusive community we need to understand each other better. She mentioned the need to be empathetic to people's identity, the similarities and differences we each have, our backgrounds, traditions and celebrations and the choices we make. She summed up the assembly by saying to be more inclusive, we need to get to know each other better, be mindful of people's individual situations and be kind and respectful towards one another.

Some valuable thoughts for us to reflect on this weekend.

Best wishes

Ms Christine Kattirtzi, Headteacher

SAFEGUARDING – ANTI-BULLYING WEEK 14TH TO 18TH NOVEMBER 2022

Every November schools throughout the United Kingdom take part in Anti-Bullying Week. This is an opportunity to shine a spotlight on bullying and consider the steps we can take together to stop it. Anti-Bullying Week 2022 is taking place from **Monday 14th to Friday 18th November** this year and it has the theme 'Reach Out'.

The Anti-Bullying Week 2022 call to action is "Bullying affects millions of lives and can leave us feeling hopeless. But it doesn't have to be this way. If we challenge it, we can change it. And it starts by reaching out. From teachers to parents and influencers to politicians, we all have a responsibility to help each other reach out. It takes courage, but it can change lives. So, this Anti-Bullying Week, let's come together and reach out to stop bullying"

As a parent or carer, you are a vital piece of the puzzle in tackling bullying. You have a unique role to play in guiding and supporting your child through their school years and there are lots of positive steps you can take to help keep your child safe from bullying and harm. We will be sharing information during this week with parents and carers, students and staff to help do this.

Our Kendrick School pledge is what we expect our students and staff to abide by on a daily basis:

We, the students, staff and friends of Kendrick School, pledge to uphold the values of friendship, kindness and respect. We promise to stand against prejudice, ignorance and injustice in all its forms, promoting the values of equality, tolerance and justice for all.

NEWS, NOTICES AND EVENTS

SUPPORT FOR FAMILIES

Reading Borough Council has announced how it will be using the Household Support Fund to help struggling families in Reading. Energy vouchers worth £49 are being distributed to eligible families and grants are being provided to local voluntary and community groups to help vulnerable residents with food and warm clothes for the winter. You can find details on the RBC news website.

FIREWORK CODE

Only adults should deal with setting up firework displays, the lighting of fireworks and the safe disposal of fireworks once they have been used.

Children and young people should be supervised, and watch and enjoy fireworks at a safe distance. Follow these top 10 tips for a safer fireworks party:

- 1. Plan your firework display to make it safe and enjoyable, and check the time you can legally set off fireworks
- In England, Scotland and Wales only buy fireworks which carry the UKCA marks. In the case of Northern Ireland look for the UKNI symbol. You may also see the UKNI mark along with the UKCA symbol. Keep your fireworks in a closed box, and use them one at a time
- 3. Read and follow the instructions on each firework using a torch if necessary

- 4. Light the firework at arm's length with a taper and stand well back
- 5. Keep naked flames, including cigarettes, away from fireworks
- 6. Never return to a firework once it has been lit
- 7. Don't put fireworks in pockets and never throw them
- 8. Direct any rocket fireworks well away from spectators
- 9. Never use paraffin or petrol on a bonfire
- 10. Make sure that the fire is out and surroundings are made safe before leaving.

Sparkler safety

Sparklers are often viewed as being harmless but they burn at fierce temperatures, equivalent to a welding torch. Follow these top tips for sparkler safety:

- It is recommended that sparklers are not given to under-5s
- Make sure everyone handling sparklers wears gloves
- Hold sparklers at arm's length while being lit and light them one at a time
- Don't wave sparklers about close to other people
- Never hold a baby in your arms while you are holding a sparkler
- When the sparkler has finished put it in a bucket of cold water.

Bonfire safety

- One person should be responsible for the bonfire and children should be supervised
- Choose a site away from wooden fences, sheds and where children will be playing
- Never pour petrol, paraffin or meths on to a fire it's safer to use fire lighters to prevent flare-ups
- Keep a bucket of water handy in case of an accident
- Avoid loose clothing and tie back long hair
- After the party, pour water on the fire, rather than leaving it to burn out.

SAFER STREETS PUBLIC EVENT

Reading Borough Council has secured funding to help reduce crime, provide safe spaces for young people, improve safety at night and make some areas of the town more welcoming. The Community Safety Partnership is holding a Safer Streets Drop-in session for people to find out more and share their thoughts.
