

# KPS Spring Raffle 2024

We are delighted to show you the wonderful prizes you can win in our biggest fundraising event of the year, the Spring Raffle.

The Spring Raffle offers fabulous prizes and generates funds for the school which will significantly benefit our students and staff.

This year our target for this event is to raise £8000 to create additional PE facilities on the front lawn. This will enable the school to have more athletics provision on site which will save the cost of coaches to take students to Palmer Park on a weekly basis.

We are very grateful to all the businesses, parents and staff who have supported us by kindly donating generous prizes, volunteering their time or arranging match funding.

Kendrick parents/carers have an excellent record of supporting the school and we hope that once again we can rely on your support to reach our fundraising target.

If you do not wish to buy raffle tickets, please consider donating.

You can buy your tickets and/or donate using the following link:

<https://www.trybooking.com/uk/DELI>

We are grateful for your support!
