- Places will be offered to applicants who are ranked high enough according to their predicted GCSE results and who reside within the designated area. This must be the applicant's permanent home address with their parent(s)/carer(s) **at 31st August 2020**.
- The **'permanent address'** is defined as the permanent place of residence of the parent/carer with whom the applicant spends the majority of their time. In the cases where parents have shared responsibility for a student, the permanent address will be where the student stays for the majority of the school week (Monday to Friday). The school may ask for documentary evidence to support the application.
- If the permanent home address changes **between when an offer is made and 31st August 2020**, Kendrick School will require documentary evidence of the new address. In all cases applicants will need to provide evidence that the previous home is no longer used by the family, for example proof that the property has been sold or that it is no longer available for the family to live in or that a rental agreement has ended.
- **Once offers have been made**, Kendrick School will require documentary evidence of the applicant's permanent home address. This will include consideration as to whether or not the address used to make an application was temporary. Kendrick School reserves the right to carry out random checks at any time and this may include a home visit. Parents will be required to declare that the address used will be their place of residence beyond the date of the student starting school. Kendrick School reserves its right to carry out further investigation of any change of address once the student has started school.
- Only if there are further places available will applicants who live outside the designated area be considered.
- The exception to this is if the applicant's family are returning from abroad to a previous home within the designated area, are Crown Servants or members of the Armed Forces (documentary evidence will be required to support this).
- **If this is the case please select 'Yes' in the Exception to the Designated Area box and send in documentary evidence to support your claim (for example a recent mortgage statement, a tenancy agreement or land registry documents).**

Extra information for the oversubscription criteria

- As part of our oversubscription criteria, any applicant who is a looked after child or previously looked after child and/or in receipt of Pupil Premium or Service Premium, provided she has achieved a predicted score of 54 and her permanent home address is within the designated area of the school, will be offered a place.
- A 'looked after child' is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services function (see definition in section 22(1) of the Children Act 1989). Previously looked after children are children (b) who were looked after, but ceased to be so because they were adopted or became subject to a child arrangement order or special guardianship order. Applications received under the Criterion A must be made by the person with parental responsibility for the child (e.g. the child's social worker, acting on behalf of the local authority for a looked after child) and will need to be supported by the following official documentation, as applicable:
 - Confirmation by the home local authority that the child is looked after or previously looked after or
 - Confirmation by the local authority the child has the following order
 - Adoption Order
- Pupil Premium are those students who have received funding for free school meals at any point in the last 6 years or who are currently eligible for free school meals.
- The Service Premium is designed to support children with parents/carers serving in the regular British armed forces. Students attract the premium if they meet the following criteria: one of their parents/carers is serving in the regular armed forces; one of their parents/carers served in the regular armed forces in the last 3 years or one of their parents/carers died while serving in the armed forces and the student is in receipt of a pension under the Armed Forces Compensation Scheme (AFCS) and the War Pensions Scheme (WPS).
- **If you are eligible for any of the above please select the appropriate choice in the drop down box. You may wish to ask your parent/carers if you are unsure.**
- Kendrick School will request evidence of the above from your current school.
