Years 7-9

Year 7 students have a Food lesson, a Textiles lesson and a Technology lesson once a fortnight throughout the whole year
 Year 8 students have Food and Textiles lessons once a week for the whole of the year. They also have a Technology lesson once a fortnight
 Year 9 students have Food and Textiles lessons once a fortnight for the whole of the year.
 L1 and L2 Half of Year 7 study French and the other half study German as their L1
 In Year 8, the language studied in Year 7 becomes the students L1 and they take up the other language as L2

Years 10 and Year 11

All students have the opportunity to study 11 GCSE subjects: English Literature, English Language, Mathematics, Biology, Chemistry, Physics and 5 options
 Current GCSE Options subject to numbers and staffing are: Art and Design, Art and Design - Textile Design, Business, Computer Science, Drama, Food Preparation and Nutrition, French, Geography, German, History Latin, Music, Physical Education (PE) and Religious Studies (RS).
 All students must opt for one language (French or German) and one humanity (Geography or History or RS). They can take additional languages and/or Humanity subjects as they wish.
 For 2025-2026, Art and Design - Textile Design is not available in Year 10 or Year 11

Students are offered free choice in their subject combination and the timetable and blocks are constructed based on those choices.

Years 12 and Year 13

3 or 4 A Level programs are possible for Year 12 students with the option of taking 1 AS at the end of Year 12, if available, for those students on the 4 A Level program.
 Studying 3 A Level courses is standard for year 13 students. Some students opt to take 4 A Level Subjects
 The GCE Options offered, subject to numbers, are Art and Design, Biology, Chemistry, Classical Civilisation, Computer Science, Drama and Theatre Studies, Economics, English Literature, French, Geography, German, History Latin, Mathematics, Further Mathematics, Music, PE, Physics, Philosophy and Ethics and Sociology
 For 2025-2026, Drama and Theatre Studies and Latin are not available in Year 12 or Year 13

Students are offered free choice in their subject combination and the timetable and blocks are constructed based on those choices.

DSP = Directed Independent Study period for years 12 and 13. Each subject has 8 taught lessons and 2 DSPs per 2 week cycle except year 12 Physics and Mathematics which have 9 taught lessons and 1 DSP.
 Some subjects run support sessions in some of the DSP slots
 ASFM - AS Further Maths is an optional course for any Mathematics student. Students who do not opt for this have Private Study in this time.
 EPQ= Extended Project Qualification (EPQ) which is offered in term 4 of Year 12 and runs through year 13. Students who do not opt for this have Private Study in this time.
 PR/RE All students have lessons of Physical Recreation and Religious Education over the year in these sessions
