Years 7-9

Te: Year 7 students have a Food lesson, a Textiles lesson and a STEM/technology lesson once a fortnight throughout the whole year

Te: Year 8 students have Food and Textiles lessons once a week for the whole of the year. They also have a STEM/technology lesson once a fortnight

Te: Year 9 students have Food and Textiles lessons once a fortnight for the whole of the year.

L1 and L2 Half of Year 7 study French and the other half study German

In Year 8, the language studied in Year 7 becomes the students L1 and they take up the other language as L2

Years 10 and Year 11

All students have the opportunity to study 11 GCSE subjects: English Literature, English Language, Mathematics, Biology, Chemistry, Physics and 5 options

Current GCSE Options are Art and Design, Art and Design - Textile Design, Business, Computer Science, Drama, Food Preparation and Nutrition, French, Geography, German, History, Latin, Music, PE and Religious Studies

All students must opt for one language (French or German) and one humanity (Geography or History or RS). They can take an additional language and/or Humanity subject as they wish.

Students are offered free choice in their subject combination and the timetable and blocks are constructed based on those choices.

Years 12 and Year 13

3 or 4 A Level programs are possible for Year 12 students with the option of taking 1 AS at the end of Year 12, if available, for those students on the 4 A Level program.

Studying 3 A Level courses is standard for year 13 students. Some students opt to take 4 A Level Subjects

The GCE Options offered, subject to numbers, are Art and Design, Biology, Chemistry, Classical Civilisation, Drama and Theatre Studies, Economics, English Literature, French, Geography, German, History, Latin, Mathematics

Further Mathematics, Music, PE, Physics, Philosophy and Ethics, Spanish and Sociology

For 2021-2022, Drama and Theatre Studies and Latin are not available in Year 12: Classical Civilisation, Drama and Theatre Studies, Latin and Spanish are not available in Year 13

Students are offered free choice in their subject combination and the timetable and blocks are constructed based on those choices.
