

Safeguarding Sept 2026

Keeping yourself safe

How does school keep you safe?

- Assemblies
- PSHE lessons
- A trusted adult to talk to
- You may access welfare support, school nurse or counsellor
- Filtering and monitoring of computer system
- Safer recruitment of staff
- Fire and lockdown drills

How do you report a concern?

- To any trusted adult in school, this could be subject teacher, form tutor, head of key stage, student welfare team, etc.
- To any trusted adult out of school. This could be parent/carer, wider family member, family friend, sports coach or music teacher, etc.

What you tell us is valued

- We will listen to you
- We will be curious and ask for more details if needed
- We will believe what you say
- We will discuss with you if/how we are going to talk to your parents
- We will keep you informed of next steps
- We will tell you about the support that is available so you can decide what may or may not be helpful

We are aiming to;

‘Prepare you for life in modern Britain’

Safeguarding assemblies give you more information about how to stay safe, recognize harm and find help.
