Guest Speaker Lily Firth

Good evening.

My name is Lily Firth and I am incredibly honoured to be the speaker for this year's presentation of the GCSE certificates and awards.

I am a former Kendrick student and I had the privilege of being Head Girl last year, so to be welcomed back is so lovely! I am currently studying French and Spanish at Durham University as an undergraduate, which I am really enjoying!

I am delighted to be here this evening as this gives me an opportunity to impart some useful advice onto other students, who I am not far from in age, which I have learnt through my own experiences and through growing up. I also hope that my speech allows Year 12 to begin to visualise what their life can look like beyond Kendrick School, and the many exciting opportunities ahead of them.
